PRIME MINISTER

No. 2(7)/PS/PM/94
Islamabad, September 7, 1994

My dear Secretary General,

Thank you so much for your letter of August 3, 1994 and the Council's publications which were delivered to me by Mr. Ghazanfar Ali Gul, MNA on his return from London.

The Council's efforts in furthering the cause of Islam and in promoting an educated view on various issues facing the Muslim Ummah today are indeed commendable. I wish you Godspeed in your noble pursuits and good health, long life and success in life.

Your views about the repatriation of Arab Mujahideen who came to Pakistan during the Afghan war have been noted. Mr. Ghazanfar Gul has since taken upon himself to explain the rationale of the Government's decision, I shall not address myself to this issue in the letter.

With kind regards and every good wish,

Yours sincerely,

Benazir Bhutto

(BENAZIR BHUTTO)

Mr. Saleem Azzam,
Secretary General,
Islamic Council,
London.
